\*Register additional people by enclosing a separate list .

## VIRTUAL SESSIONS DESCRIPTIONS

### **"Legal Status of Audio and Video Recordings on the School Bus"**

Questions answered during this session will include:

- Who owns the audio and video recordings
- Are the recordings sealed due to disciplinary needs or is it subject to an open records request?
- Basic best practices - signs on the bus, parent signatures/student handbook, policy, etc.
  - With COVID-19, there have been increased requests to view video only for contact tracing. Should there be any documentation sent to parents regarding this use, if not done already?
  - Writing policies and who they are released to - parents, police, others
  - How could a future situation such as COVID be prepared for in a policy

**Presenter: Julie Lewis, Lewis Law Office**

### **"Operation Lifesaver Training Opportunities"**

An overview of how Operation Lifesaver provides free training services to student transportation staff that includes awareness of railroad safety and potential affects on the CDL license.

**Presenter: David Knuth, Operation Lifesaver**

### **"School Bus Safety Systems Advanced Electronics/Stability Controls"**

- o Electronic Stability
- o Roll Stability
- o Collision Mitigation
- o Electronic park-brake control
- o Myths of air systems from a maintenance and operational perspective.

*Information will based on Air Brake systems.*

*This session cannot speak to the requirements for drivers having endorsements to operate air brake equipped vehicles.*

**Presenter: Kent Klausing, Bendix Commercial Vehicle Systems**

### **"ELDT & WI DMV Updates/Questions"**

Entry Level Driver Training Preparation. CDL updates and information.

**Presenter: Wayne Georgeson, WI DOT DMV**
