"Building a Positive Climate on the School Bus"

Are you looking for additional options to help students follow the rules and feel safe during the school bus ride? The nonprofit Children's Promise looks forward to sharing information about Positive Behavioral Interventions and Supports (PBIS), a national initiative being put into action within 50% of our Wisconsin School Districts.

Children's Promise

"Evaluating Risk Factors Associated with School Travel"

We will evaluate risk factors associated with various school travel modes. The risk level of each mode of travel can be affected positively or negatively by a variety of factors involved in its operations, as well as in the local infrastructure and environment. Explore alternatives to enhance the safety of school travel.
